MASTER MINDS.

PASS ALL THE QUESTIONS AND DISCOVER THE ANSWER...

- If you can write original programs, convert from one machine to another and expect your rewards to equal your effort then you may be the person we are looking for.
- We require programmers proficient in machine code on the Z80 series, 68000 series, 6809, and 6502/6510 processors. We require games, utilities and education programs on the Commodore 64, Spectrum, QL, Electron, BBC, Atari, Memotech, Dragon, Atmos and MSX computers.
- In return we are offering the right person the opportunity to have their program released throughout Europe by Quicksilva Ltd and throughout the Americas by Quicksilva Inc., plus the financial security that only we can offer and

the opportunity to join the greatest team in the Universe!

- If you want to be associated with the top software house then phone Paul on the hotline today, it may be the start of a great future!

Software Houses

- Let us take away your problems and give you the opportunity to get back to programming.
- Quicksilva can provide the financial security, production, promotion, marketing and distribution for all your needs.
- For a frank discussion, in the strictest confidence, phone Rod Cousins today on (0703) 26515.
